19. [] Larry Houston called to say that he had a two-hour session with Tim Ingram, of the House Government Operations Committee staff, and during that visit, my letter to Ingram concerning cases that were referred to Justice arrived and my letter was entirely consistent with what he (Houston) had been saying. He also mentioned that he would be going up before the Committee next week.

20. [] Delivered an envelope to Jack Boos', staff of the House Select Committee on Intelligence, old office at the House Armed Services Committee. The envelope contained a telegram to Representative Lucien Nedzi (D., Mich.) which was mistakenly included in a package for our office.

21. [] Talked to Doug Lea, Counsel, Senate Judiciary Subcommittee on Constitutional Rights, concerning S. 2008, the Tunney-Edwards criminal justice information bill. He recommended that I get the Agency's views on the bill to him before recess. He then asked me for [] number and said he would like to talk to him to arrange for an Agency witness at hearings on electronic surveillance technology. I told him that this was not [] field and he said that he still wanted an Agency witness for these hearings and wanted me to take this up with whoever was responsible for this kind of thing.

22. [] In follow up to a call Miss Donahue received yesterday, called Ojia Stacks, Secretary in the office of Representative Jack Edwards (R., Ala.), concerning the Freedom of Information request of a constituent, [] I told Ms. Stacks that an acknowledgement letter was sent to the constituent on 9 July 1975 but that another letter would be going to him shortly as he requested in his letter a copy of the Freedom of Information Act and this was not given in our first letter to him. Ms. Stacks said this was fine but she would appreciate an acknowledgement to the Congressman's letter and I told her this was forthcoming.

23. [] In response to his request, I talked with Mark Kleinman, in the office of Representative Les Aspin, (D., Wis.) and answered several questions concerning Somali flag vessels sailing into Havana.

24. [redacted] Claudia Van der Heuvel, in the office of Representative Timothy E. Wirth (D., Colo.), called and said she had received a call from [redacted]. He told her he will be attending a meeting at the CIA building the last week in September and would like the Congressman's assistance in finding a "cleared secretary" whom he can hire to take to the meetings and take notes for him. I told Ms. Van der Heuvel I would check into this but that I couldn't imagine that an outside secretary would be allowed to come in and take notes at an Agency meeting.

I talked to Mr. [redacted] OSI, who said he knew [redacted] and would call him and straighten this whole thing out.
